Within the Business School we support the responsible and ethical use of GenAI tools, and we seek to develop your ability to use these tools to help you study and learn. An important part of this process is being transparent about how you have used GenAI tools during the preparation of your assignments. Information about GenAI can be found here and guidance on the responsible use of GenAI tools can be found here.

The below declaration is intended to guide transparency in the use of GenAI tools, and to assist you in ensuring the appropriate citation of those tools within your work.
